

## Student Councillors 2009-2010

Student Council is the governing body of Cardiff University Students' Union. It is the means by which your elected student representatives are held to account, and the forum where students can contribute to the continual process of ensuring that the Students' Union is acting in the interests of the student body.

Student Council is comprised of the Students' Union's elected Executive Committee and a much larger number of student councillors. All students are invited to take up seats as councillors through representative bodies like Societies and Athletic Union Councils or by cross campus ballot.

Any student can propose an idea or submit a motion to Student Council. If you think the Students' Union should be taking an active stance on a particular issue, then come along to one of the meetings, get in touch with one of the councillors below or see our guide on [www.cardiffstudents.com](http://www.cardiffstudents.com) for how to submit a motion.
