STUDENT UNION FRESHERS' WELCOME TEAM

The Students' Union Welcome Team is a team of 500+ student volunteers each acting as a Students' Union ambassador throughout Freshers' period. The team will be responsible for having conversations with new and current students, introducing them to the University experience here at Cardiff. Groups of volunteers will be placed in key locations around the Students' Union and the University, including the reception areas of all 23 academic schools as well as having exclusive access to University Halls of Residence, there to provide a helping hand, offering advice, directing and supporting those students moving in.

We are incredibly proud of this project and hope you agree that this is a perfect opportunity for you to promote your brand through sponsorship. All contributed finances will be invested into the operations of this exciting and innovative not-for-profit initiative.
