Freshers Media Pack

2025

Introduction

Freshers' Week

Cardiff Students' Union is located at the heart of the city and can offer your company/brand access to over 33,000 students through a range of marketing channels. We were recently voted 2nd in the UK by students in the WhatUni student choice awards 2022, 2023 & 2024!

Effective advertising can make a lasting impression and develop long-term brand awareness. We have a comprehensive knowledge of our student audience, and our advertising opportunities ensure our clients receive maximum exposure.

The Centre for Student Life is a service-led project delivered in partnership with Cardiff Students' Union and is a part of the biggest campus upgrade in a generation. The new building has enhanced links with the Students' Union and has helped to increase footfall levels.
