Healthcare Music Society

Cardiff Healthcare Music Society (HMS) was founded in 2009 and later, bringing together students from all different aspects of healthcare and displaying their talents to raise money for charities through musical performances. Last year HMS hosted our 2 annual concerts and an Open Mic Night raising money for Heath RAG, as well as busking on the University of Hospital Wales (UHW) concourse at Christmas, raising money for local charities.

The society has enjoyed many socials this year, with highlights being the Christmas meal, a pudding party, attending a Ceilidh and Itchy Feet.

We have two main ensembles which both rehearse in the UHW Chaplaincy (B5). The orchestra meet on a Tuesday at 7pm and the choir meets on a Thursday at 7pm. The ensembles play and perform a combination of pop, film themes and classical pieces such as Phantom of the Opera, 1812 overture, For Good (from Wicked) and many more! We have even performed pieces written specifically for us!

There is no audition process, just turn up with your instrument and stand and join in! Rehearsals are 2 hours and many of our members meet in the pub for a few drinks afterwards.

2014-2015 is geared up to be another exciting year, with more performances and opportunities to perform to raise even more money for charity! (There is even talk of going on tour!)

For more information, join our Facebook group "Cardiff Healthcare Music Society", follow us on twitter @cardiffhms or contact us on cardiff_healthcare_music@hotmail.com. We will be at Freshers Fayres, so come and find us!
