Awards for Staff

Personal Tutor of the Year: This award speaks for itself. We want to reward personal tutors who have gone above and beyond to help their students in their capacity as a personal tutor.

Most Effective Teacher: Do you have a lecturer that can make the hardest of modules seem easy? Or when you don't understand something they take the time and/or adapt their teaching styles in order to make you fully understand.

Most Innovative Member of Staff: Do you have a lecturer who teaches using unusual methods or not in a conventional way in order to help students get to grips with their subject more easily?

Most Uplifting Staff Member: Is there a particular member of academic or non-academic staff who you know you can rely on to brighten up your day no matter what your mood? This category is for those people who never cease to fail to put a smile on your face.

The Employability Award: This award is for an outstanding member of staff who has provided you with a selection of excellent employability opportunities, whether it is giving a lecture on careers or by facilitating you meeting with/talking to employers, for example.

Student Rep Coordinator of the Year: This award is for the member of staff who has always strived to make Student-Staff Panels in their school work as effectively as possible. Does your SRC always make sure papers are ready and that attendees are there on time? This is the award for them.

Pencampwr Addysg Gymraeg (Welsh Education Champion)

Outstanding Doctoral Supervisor: This award is to recognise and reward a member of staff who has provided outstanding doctoral supervision, who has demonstrated passion and enthusiasm for the role of supervisor by going above and beyond the daily duties to support and encourage their students.

Awards for Students

Student Academic Rep of the Year (College of Arts, Humanities and Social Sciences)

Student Academic Rep of the Year (College of Biomedical and Life Sciences)

Student Academic Rep of the Year (College of Physical and Life Sciences)

These awards are for the most effective Student Academic Rep and will be awarded on an individual

college basis. Do you know a rep who has gone above and beyond to represent other students in their Student-Staff Panels? Have they taken a great idea and made great change? The winners from each College will be the finalists for the **Cardiff University Student Academic Rep of the Year** award.

Honour Roll: This award is open to all students who have made an outstanding contribution to the student experience across Cardiff University, and in doing so, created a positive impact upon their fellow students or the wider community of Cardiff. This student will have shown commitment, passion and motivation throughout their University life, devoting their time, effort and unequivocal commitment to a cause external to their studies, and in doing so, achieved great success for others within Cardiff or beyond.
