Agenda Item	Minutes
Welcome	We did –5 to 5 and a restorative question.
Confirmation of previous minutes	The committee decided it was an accurate reflection.
Accountability Panel nominations	This one: Harish and Visnumaya Next one: Sarah and ? (decide nearer the time)
Lanyards	Were given out to all executive committee members
Q&A questions	Are now on the website. The committee were invited to propose more if they would like to.
Heath Park Handbook	The handbook has been written and given to members.
Heath Park representation	Meeting with Tali went well, discussed all the issues and am working on an action plan for resolving representation issues. Heath Park Officers passed in senate. Put forward motion to reserve 1 space in every executive committee for a heath park student, once taken and reviewed by the student voice taken, we will need 25 votes to get it into senate. The executive committee can view the representation document drafter by the Head of Student Voice and Advice (Tali Atvars)
Group Photo	Photos and video taken. Will be used promotionally by the SU and on my posts.
How many Heath Park	Take onto the next meeting.

students attended AGM	
Food and Vending machines	<p>Meeting with Annabelle to come.</p> <p>Meeting with SU enterprise to discuss cost cutting measures prior to meeting with Anabelle.</p> <p>Food blog is made and will be uploaded after meeting with Annabelle.</p>

Schedule overlap with break for PG students	Students will not be in trouble for not attending lectures over the break. They will be recorded for students who are not present except if it is a group session as opposed to a lecture. Unfortunately, they cannot be rescheduled out of the break, the reason this is done is so the modules do not overlap so students can pick a wider variety of modules without clashes.
Free tea/coffee	Will be refilled on Tuesdays and Wednesdays in the IV Common Room. Will also have larger storage containers so the stock will last longer.
Heath Park Campaign Officers	The executive committee is asked to spread the news that you can run to represent heath park campus by becoming 1 of 2 heath park campaign officers.
